SUBJECT: AMERICANS WANT DEMOCRATS TO DUMP BIDEN, NOMINATE ANDREW CUOMO FOR PRESIDENT

DATE: APRIL 8, 2020

A recent poll of American voters conducted by WPAi on behalf of Club for Growth PAC shows that they are so impressed with New York Governor Andrew Cuomo's response to the coronavirus pandemic that they want Democrats to dump Joe Biden and nominate Andrew Cuomo for President instead. Democratic voters and key Democratic constituencies all agree that it is time for the Democrats to Dump Biden.

Voters overwhelmingly approve of Andrew Cuomo's performance responding to the coronavirus and are more skeptical of Joe Biden's performance.

A majority of voters approve of Cuomo's job performance and only one-in-five disapprove. A plurality disapprove of the job Joe Biden is doing.

- Nearly three-in-five (57%) women, and
- Majorities of Hispanics (58%) and African Americans (55%).

Methodology

WPAi conducted a online poll of n = 1,000 likely voters in nationwide. Interviews were conducted based on a sample selected from an online panel which has been matched to the voter file to ensure all responses are from actual votes. A random sample of this size has a margin of error of $\pm 3.1\%$. The sample was stratified by age, gender, ethnicity, educational attainment, and geography to ensure accurate representation of the electorate.
