The OECD's configuration of the Zoom service reflects the following measures:

- Pre-registration, passwords, and the "waiting room" functions are enabled to prevent unauthorised access to the conference.
- Specific identity format (country, name) for remote participants for easy control of each attendee in the Waiting Room before admitting them into the meeting.
- Only the host (OECD) or co-hosts can enable a recording on their local computers.
- If the conference is recorded, a notice will show on the screen.
- No chats can be saved, and no private chats are permitted, except with the host or co-hosts.
- Participants enter the conference call muted and without video showing, unless and until they enable these features themselves.
- Avoid discussing any highly-sensitive matters
- Do NOT share your personal invitation link
