

## Ag & Youth Grant Program 2020-21 Awardees

**Project Types:** Funded projects included those that are for education or workforce development seminars or field trips; agricultural safety training programs; and capital projects or equipment.

**Matching Grants:** The program provides youth organizations matching reimbursement grants of up to \$25,000 for capital projects or equipment purchases.

**Direct Grants:** The program provides youth organizations direct, non-matching grants of up to \$7,500 to defray costs for education or workforce development seminars or field trips; agricultural safety training programs; and capital projects or equipment.

---

### Matching Grants
