

art for kids

This BOO popup Halloween card is sure to be a hit!! It's an easy popup card to make, so your young artist will really get a sense of accomplishment when completing it. From three sheets of paper you'll get two Halloween greeting cards.

Gather these supplies:

- One 8½"x11" sheet solid colored cardstock
- One 8½"x11" sheet orange cardstock
- One sheet Halloween patterned paper (this doesn't need to be cardstock)
- Double-sided tape
- [BOO template](#)

art for kids

Follow this tutorial to make your BOO Popup Halloween Card:

1. Begin by cutting the solid colored cardstock and Halloween patterned paper to size. Cut the cardstock in half to make two pieces $8\frac{1}{2}" \times 5\frac{1}{2}"$. Cut the patterned paper into $3\frac{1}{4}" \times 5"$ pieces.

2. Fold the cardstock to form $4\frac{1}{4}" \times 5\frac{1}{2}"$ cards.

3. Adhere double-sided tape to the back of the patterned paper. Center it on the front of the card, leaving narrow margins on all sides.

4. Print the BOO template on the orange cardstock, and cut it out. The score lines indicate folds, so don't cut them!!

art for kids

5. Fold the BOO in half along the vertical score line with the right side of the letters to the inside of the fold.

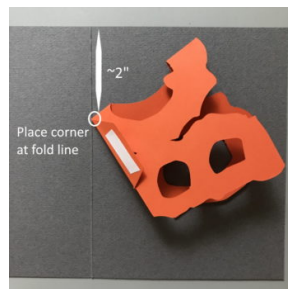

6. Fold the tabs to the back of the BOO letters.

7. Put double-sided tape on the tabs.

8. Expose the adhesive on the tab under the O. Position the the popup BOO on the inside right of the card as shown in the photo. Position the folded corner of BOO at the fold line of the card about 2" from the top of the card and at about a 45° angle.

9. Expose the adhesive on the second tab, and close the card to adhere the BOO to the inside left of the card.

10. Enjoy sending your BOO popup cards to friends.
