

How to Make the Perfect Autumn Acorn Pom-pom Mobile

Celebrate autumn with this acorn pom-pom mobile. Makes a great display piece for your home.

Here's the supplies that you'll need:

- 10 acorn caps
- 10 pom-poms in fall colors
- Five 20" lengths of thread, twine, or yarn
- One 24" length of thread, twine, or yarn
- Large sharp needle
- Small branch 9" to 12" in length
- Liquid glue

Let's make the Acorn Pom-pom Mobile:

1. Gather acorn caps and small branch. Store these in the freezer for a couple days to kill any beasties.

2. Pierce a small hole in the center of the acorn cap. You can use a small hand drill, an awl, an ice pick, a large sharp needle, or a slender nail and hammer.
3. If you can't find the color pom-poms you want, color white pom-poms with markers to get fall colors.

4. Thread the needle with a 20" length of yarn. Thread an acorn cap onto the yarn.

5. Tie a knot on the inside of the acorn cap.

6. Repeat with another acorn cap at the other end of the yarn.

7. Repeat Steps 5 and 6 with the remaining 20" lengths of yarn.
8. Add glue to the inside of the acorn caps.

9. Glue a pom-pom to the inside of the acorn caps.

10. Attach the acorn pom-poms to the branch. Either wrap the yarn around the branch a couple times or tie in place.

11. Tie the ends of the 24" length of yarn to the ends of the branch for hanging the acorn pom-pom mobile.

12. Enjoy autumn!!
