How to Make a Magnetic Photo Frame Perfect for a School Locker

This magnetic photo frame is perfect for a school locker. Kids can mount pictures of classmates or fun avatars, and the pictures can be easily changed. The magnetic photo frame is also great for the home frig!!

Gather these supplies:

- Four craft sticks
- Markers
- Magnet paper
- Extra advertising magnets
- Liquid adhesive, double-sided tape, or hot glue

art for kids

Make the Magnetic Photo Frame:

1. Color each of the craft sticks.

2. Use a black marker to add lettering.
