

WHERE THE CANDIDATES STAND ON D.C. STATEHOOD:

We've asked the presidential candidates: do you support a real path to D.C. Statehood with 51 votes in the Senate?
10 said "Yes." Only one said "No."

Washington, D.C., residents have waited over 200 years for voting representation in Congress. We're fighting to make D.C. the 51st state with 51 votes in the Senate.

Call Michael Bennet to demand he reconsider his position on D.C. statehood: (202) 224-5852
